Objectives:
- to maximise each player’s skill and potential
- to develop commitment to practice and self-discipline
- to build a competitive program that expands with success
- to develop awareness of safety when playing
- to have fun

Specialist Softball Programme

The Allendale East Area School Softball Program will enhance the development of softball and baseball as a sport within the region and will provide many opportunities for participants. These will include participating in the Softball Junior and Open Knockout Tournaments and potentially hosting our own tournament.
