Nurse Visit

The R/1 class are learning about ‘People Who Help Us’. Last Monday we had a visit from a nurse. She talked about what an emergency was and what we should do in an emergency. We learnt we can call ‘000’ for the ambulance, police or the fire brigade. We also learnt that it is very important to only call in an emergency. We talked about how we can keep ourselves healthy and safe to prevent emergencies and visits to the doctors.

It is with great excitement and pleasure that we welcome Zoe McKenzie to our team at Allendale East Area School. Zoe has recently been appointed Pastoral Care Worker for the remainder of the year. Zoe will be supporting our school community, staff and students in a number of ways. However, as she finds her way around our school on Wednesday and Thursday 8.30 am - 3.30pm, you will most likely see her involved in breakfast club, lunch and recess activities, classroom support and supporting bus duty.

Please take the time to introduce yourself if you happen to be on site on either of her working days.
IMPORTANT PARENT INFORMATION

Parents are reminded that the staff car park in the bus bay is out of bounds for parents, carers and relatives doing a school pick up. This car park is for staff parking and bus parking.

SCHOOL ZONES AND KOALA CROSSINGS

A Koala Crossing consists of two yellow flashing lights mounted on red and white striped poles. Koala Crossing operate only when the yellow lights are flashing. A 25 km/h speed limit applies between signs on the approaches to the crossing when the lights are flashing, and drivers must stop and give way to anyone using the crossing or about to cross the road.

Drivers must not exceed 25 km/h at any time of the day or night when a child is in the zone. This includes children walking or riding a bicycle either on the road, footpath or median strip.

The lower speed limit applies whenever children are in the zone, including weekends and school holidays.

Always striving
On Monday the 6th of June, 20 students from years 6 and 7 participated in a Lightning Netball Carnival. We had 2 teams entered in the competition and they played 7 games of netball throughout the day. Both teams won most of their games and as a result both Allendale teams were runners up in their sections.

Thank you to Mr Aldersey and year 10 student Tia who made excellent coaches on the day.

Nicole Biggins

My team won 6 games out of 7 and we tied one game. I enjoyed playing a different game with my friends.

Tamzyn.

I thought it was interesting to see that Allendale was the only school with boys competing. Holly.

It was a brilliant way to get active and fit. I enjoyed it because I got to play netball with my friends. Kaidyn.

I enjoyed the netball. It was a lot better than I thought. I had no idea about the rules at the start but I started understanding a lot better near the end. Baylan.

I enjoyed the netball because it was fun to play with my friends and play against other schools. My team only lost one game and we came runners up. Mackenzie.

I would like all Sports Shirts that were used at the 6/7 Netball Carnival returned to the School Front Office this week.

Thank you. Leonie Feast
