Cows Create Careers Day

The Year 9 Agriculture class has been participating in the regional Cows Create Careers Program. This involved them raising two heifer calves on loan from Donovan’s Dairy for a period of 3 weeks. In conjunction with this students were asked to complete a series of assessment tasks for submission in a competition against schools from across the Limestone Coast.

The program aims to:
* Introduce secondary students to pathways in the dairy industry
* Give students hands-on experience raising calves
* Provide a link between dairy farmers, industry advocates and the students
* Highlight career and educational opportunities within the industry

On Wednesday 16th of June, we attended the presentation day at Mount Gambier Golf Club held by Dairy SA. During the day a series of educational games were played with ITunes vouchers up for grabs.

From the assessment tasks submitted students were scored and placed into junior (years 6-8) and senior (years 9-10) categories for the judging. ‘Jersey Shore’ a team from Allendale consisting of James Bald, Yakirah Agnew & Zak Glynn was awarded 2nd overall in the senior division with a score of 89/100. Well done to this group!

We would like to thank Donovan’s Dairy for supplying our calves and Kym Mathews from Murray Goulburn for visiting the class and talking about his job and career opportunities that exist within the industry.

ALLENDALE EAST AREA SCHOOL
COURAGE   EXCELLENCE   RESPECT

Allendale East Area School Governing Council has available the opportunity for an enthusiastic person to take on the role as Canteen Support Person for 2 days per week working 4 ½ hours per day. This position is initially to December 2016.

The successful applicant will be responsible to the canteen manager and will assist in providing a wide variety of fresh, nutritious snacks and meals along with an efficient service.

The applicant will need to be self motivated, show initiative, have a positive attitude and excellent communication skills working with students from Kindergarten to Year 12, volunteers, staff and the wider school community.

If you are interested in applying for this position please contact Hope Bliss on 87387218 or email dl.0751.info@schools.sa.edu.au for a Job & Person Specification. Applications will close on Friday 24th June 2016 at 4pm and should be forwarded in writing to:

Mrs Hope Bliss
Finance Officer
Allendale East Area School
Bay Road
Allendale East SA 5291

Robert Leslie from Pangula Mannamurna visited our school recently and spoke to the year 9 and 10 students about smoking and the negative affect it has on our health and well being.

The students were actively involved in this workshop and learnt a lot of valuable information to help them make better choices for their future.
ATHLETICS COACHING

We are holding a coaching session Saturday the 25th and Sunday the 26th of June.
From 9.00am to 4.30pm Saturday and 9.00am to 12.30pm Sunday at Mount Gambier High School.
This will be a strength and conditioning training for dedicated athletes who are looking to turn their passion for Track and Field into more than just a hobby. This will include plyometrics and some event specific training with Adelaide coach Don Brown.

Lunch will be supplied Saturday.
This event is being provided free of charge by Little Athletics with the help of the Junior Sports Assistance Fund.
Please email your intention to attend to littleathsmtg@gmail.com by Tuesday, 21st June, 2016.

JOB VACANCY - Apprentice Boilermaker

We are inviting interested year 11 or 12 students to apply for a full time Apprenticeship Certificate 3 in Engineering, Fabrication. The position is based in the Vehicle Industry in Mount Gambier.

Personal requirements -
. Good Personal Presentation.
. Interested in technical activities.
. Physically Fit for Manual work.
. Strength and accuracy to handle materials, tools, machines.
. Good Math skills.
. A genuine interest in the vehicle industry.

The apprenticeship will also involve some exposure to truck maintenance and servicing.
Enquiries and applications should be addressed to: Brad Wilson Smith, Group Training Employment, P.O. Box 1748, Mount Gambier. S.A. 5290. Email - brad@gte.org.au Applications close 24th June, 2016.
General enquiries, please see Mr Grant Cuthbert at school.

EXPRESSIONS OF INTEREST - Circle of Security Course

We are considering running the following courses in our School Library.
Please email leonie.feast18@schools.sa.edu.au to register your interest by — Monday 4th July.

Circle of Security - This course covers:
. What your child’s behaviour might mean.
. How to help your child organise their feelings.
. How to help your child feel secure in their relationships.
. How to help your child to engage more in play and learning.

This is for parents of children 6-12 years old. The six sessions of this course will provide you with the skills and strategies needed to be the parent you have always hoped to be. You will be given insight into the particular challenges and unique opportunities along the way.

Rec/Year 1 - Mrs Grubb / Ms Beatty - BEN VIRGO - A great effort and attitude with his work.
Year 1/2 - Mrs Neu - RYLEIGH ATCHISON - For always trying to do his best.
Year 2/3 - Ms Schutz - ARON ROGERS - Sharing an “explosive” science experiment with the class.
Year 4/5 - Miss Merrett - ZAK PRIDDLE - For always putting in 100% and being a great role model for his peers.
Year 5/6 - Mrs Biggins - BRONSON FACEY - For making great progress in his reading.
Year 6/7 - Mrs Murdoch - JOSH KAIN - For working quietly and consistently.
Fireman Visit

Last week we had a visitor (Grant), from the CFS for our People Who Help us unit. He talked to our class about his work with the fire service and showed us his uniform. Grant let some kids try his helmet and coat on. We got to go inside the fire truck and see the equipment that is used. Grant set up a cone and we tried to knock it down using the fire hose. Grant put on the siren for us to hear!

Kirby Beatty

When we empty our minds of negative patterns and thoughts, we create a space where peace, happiness and love can thrive.
