### Shooting For The Stars

"Cold As Ice"

From the 3rd to the 12th of August, as part of my Gener8 Theatre PUSH mentorship, I took part in the unique creative development of a new professional theatre work, "Cold As Ice" at the Sir Robert Helpmann Theatre. I was fortunate enough to be awarded this mentorship at the beginning of the year.

"Cold As Ice" is an all new immersive theatre work that brings into light all of the detailed aspects of the epidemic of the drug ICE and explores into the personal and social rituals that bind regional centres, giving them meaning, purpose and familiarity. Still in the development stage of the work, the week and a half was effectively used to create a five-minute show reel of design concepts, ideas and public feedback in order to be sent off to try to win the next of funding that is needed in order to bring this exciting new theatre to life.

I was given a unique insight into the process of theatre development, being appointed Stage Manager and providing support in many areas, working alongside leading industry professionals including professional actors, projection artists, sound engineers and virtual reality artists.

Margaux Terek
Year 11 student
Flout Troop - Cancer Council representative Kylie Edwards visited classes on Tuesday 23/08/2016 to talk about her and Lincoln, her husband and former AEAS student, participating in the Mystery Car Rally this September. Lincoln has been fundraising for the Cancer Council by participating in the rally in previous years. This is Kylie’s first time as a “rally participant” Kylie shared information with a number of classes about the Cancer Council work and how students can help by sharing information that raises the profile of the rally. Kylie and Lincoln will be travelling to Adelaide in September where they will bid at auction for a suitable rally vehicle and then spend 5 days and travel approximately 2500 kms on outback roads raising funds and awareness of the wonderful work that the Cancer Council do and services they provide to our community. On behalf of the school, I have made a contribution to their cause and wish them all the very best for the September rally.

On Wednesday, the 3rd of August, the Choir and 5/6 class were visited by Mike, Collyn and Andrew. Mike played his guitar and helped both the choir and 5/6 class learn a new song and how to recognise the beat in a tune.

I enjoyed making the rain and thunder noise - Jessica Moy
I enjoyed listening to people sing - Bronson Facey

We sang songs about our name and did a rain chant to stop the rain. It was really fun - Tahnee Higgs
I thought that Mike’s accent was really interesting - Kyle Moulden

Mike came to our class to play his guitar and our class sang. I thought it was funny when the teacher sang - Mackenzie Millard

IMPORTANT INFORMATION
REMINDER - THE SCHOOL YARD IS UNSUPERVISED UNTIL 8.30AM IN THE MORNING AND AFTER 3.30PM IN THE AFTERNOON.
STUDENTS ARE NOT TO BE ON SCHOOL GROUNDS BEFORE OR AFTER THESE TIMES.
PLEASE CONTACT KYLIE SMITH IF YOU NEED TO DISCUSS THIS FURTHER.

LOST PROPERTY
We have an enormous amount of Lost Property at school.
The box is located in the canteen area.
Please feel free to look through regularly!
There is approximately $420 worth of unnamed, unclaimed uniform!

This week’s Shooting For The Stars!

Rec/Year 1 - Mrs Grubb / Ms Beatty - PHOEBE KEMP - For being a respectful class member.
Year 1/2 - Mrs Neu - HARRI KENNION - Always trying his hardest in all areas of learning.
NAITE ROGERS - Always presenting his work neatly.
Year 2/3 - Ms Schutz - JETT LEWIS - For being extremely organised in the mornings.
Year 4/5 - Miss Merrett - JACOB SPEHR - For being a kind and caring class member.
Year 5/6 - Mrs Biggins - JESSICA MOY - For following all instructions in choir lesson.
Year 6/7 - Mrs Murdoch - SARAH LOMAS - For getting all her work completed while on SAPSASA for netball.

Always striving
An Enterprising Community

Year 7 Transition

Is your child in year 7? If so, then the following information is important for you and your child.

This week our principal, Ms Kylie Smith will be conducting a school tour for interested parents of current Year 7 students, with emphasis on the secondary component. If your child currently attends our school then they are zoned to Allendale East Area School and have a place reserved for them in year 8.

We are an excellent school, with excellent facilities and teachers. I strongly encourage you to attend this event and use it as an opportunity to actually see what our school has to offer and to learn more about subjects and courses that are available from year 8 to Year 12. Please do not assume that you already know or listen to hearsay; it is important for you to find out yourself and make your own judgement.

We take pride in knowing that students graduate from our school fully prepared for either university, TAFE, careers or ready for the workplace. Past students have entered degrees in teaching, audiology, nursing, marine biology, early childcare. They have undertaken trades, apprenticeships, full-time jobs, established their own businesses... All in all we successfully help transition young people through their secondary schooling and into the next phase of their lives. We look forward to undertaking that important journey with your child in 2017.

Please join the school tour on Tuesday 30th August at 3.45. Meet in the canteen area outside the front office.

Regards, Suzie Mitchell.
