December/January Vacation Care

Our Vacation Care Program was supported well by a small number of families. It was great to have children coming on a number of ways where we can build on their skills and our programs. Children and staff participated in a range of fun, exciting and educational experiences.

Week 1 – Christmas - children were involved in making a variety of Christmas decorations, made Reindeer food, calendars and making reindeer biscuits.

Week 2 and 3 - Children participated in a variety of activities around the theme of The Sea. We made octopuses, lantern fish, popstick rafts, stained glass rainbow fish, sand sculptures, playdough sea characters, paper plate fish, creating a pirate ship, dancing, dressing up and cooking. On movie day we created Nemo and Dory characters and watched "Finding Dory".

Week 4 – Games day, Nature and Australia – children played board games and outside games, cooked biscuits and cupcakes, planted our veggie garden and created portraits of ourselves using nature, bubbles, wii challenge and water activities.

Thank you to all families who were part of the Vacation Care program. We look forward to seeing you next holidays and during after school OSHC.

After School OSHC

Bookings are now open for our afterschool care program. Please contact Judith on 0409 012 668 to make a booking or enquiry. Our opening days are determined by bookings.

Allendale East Area School
