# School Uniform Policy

Broad-brimmed hats are required for Terms 1 and 4 in accordance with our 'No Hat, No Play' policy.

All students, including senior students are required to wear the school uniform.

Students who do not wear uniform will be reminded and we ask that parents provide their children with a parent note if their uniform is not available due to laundering. After reminders and notes in students' diaries, we will need to provide consequences to students who choose not to comply with the school uniform.

We are aware that some parents may find the expense of uniforms difficult, for this reason we have ordered an inexpensive line of clothing and will assist families encountering difficulties.

A second Hand Uniform shop is available at the Red Cross Shop, Meylin Street, Port MacDonnell.
