Welcome Back

It is with great delight that I welcome you back to another fabulous school year.

This year, we welcome a number of new staff members, along with new families and 12 new reception students. The year has started smoothly with all classes participating in Skills for Success activities which will provide a safe and supportive foundation to start the new school year, along with team building activities which will culminate in an overnight camp for the year 8's, 9's and 10's. A team games day at Nelson on Friday is again planned for students in year 7, 11 and 12 to consolidate their learning about being good school community members, leaders and team members.

We wish you all a safe and enjoyable school year.

Congratulations

Jason Watts, a former student and School Captain of Allendale East Area School was awarded the District Council of Grant Young Citizen of the year on Australia Day.

Jason's application included the many hours he has donated to our school with the Led Steer program, School Captain and many small jobs he has assisted with around the school to improve its facilities.

Congratulations Jason, we are very proud of your achievement.

Pastoral Care Worker

Pastoral Care is defined as the commitment to, and active demonstration of concern for, the growth and wellbeing of each student, as well as the broader school community. It focuses on cultivating an environment and culture that supports the physical, social, intellectual, emotional and spiritual development of every student.

Allendale East Area School Pastoral Care Worker Belinda Tilley will be working in our school again on a part time basis throughout 2018. She will be in school most Mondays and Tuesdays and is working with teachers to bring focused Social Emotional Learning, (specifically the Kimochi's Curriculum of Social and Emotional Learning) and other Wellbeing practices to the students in classes Reception to year 6. Belinda is also available to work with any students R- 12 who may at any time be needing extra support or need guidance to work through a particular issue.

Please ensure that your child/ren have provided the front office staff with a permission slip that grants permission for them to access Belinda's services. Permission slips can be found on School Bag, in printed form at the front office or can be emailed out to you after lunchtime tomorrow.

Kylie Smith
Principal
