Sports Day Captains

Congratulations to the brave students who put themselves up for nomination to take on the important leadership role as a Sports Day Captain and Vice Captain.

A **team leader** is someone who provides direction, instructions and guidance to a group of individuals, for the purpose of achieving a certain goal. An effective leader will know his or her team members' strengths, weaknesses and motivations.

Team leaders service various roles. Their job is to get tasks done by using all of the resources available to them, including **team members**.

Here are some important roles a team leader must often take on :

- Develop a strategy the team will use to reach its goal
- Provide any training that team members need
- Communicate clear instructions to team members
- Listen to team members' feedback
- Monitor team members' participation to ensure the training they are being provided is being put into use, and also to see if any additional training is needed
- Manage the flow of day-to-day operations

We look forward to watching the leadership skills of our Sports Day Captains and Vice Captains develop over the course of the term. Please ensure you support these young people where possible, we are very proud of their willingness to undertake these important positions within our school.

NORTHUMBERLAND ORANGE	Captains - Sarah Lomas & George Stanley Vice Captains - Merrick Miller & Luke Bald
BANKS LIME	Captains - Nikeisha Facey & Damon Verrier Vice Captains - Salem Moody & Bronson Facey
DOUGLAS PURPLE	Captain - Lyndall Feast Vice Captain - Osian Weber

Allendale East Area School Vision - 2019

To build strong, diverse futures for all of our young people by providing quality education driven by student needs, skills and aspirations.

Please Note : Unfortunately we are currently experiencing issues with our EFTPOS machine due to the lack of Optus service in this area. It would be appreciated if parents bring in cash or cheque to pay for uniform, swimming and school fees until further notice. Alternatively, you can complete a bank transfer.
Please make sure you include your family name and/or invoice number so this payment can be applied to the correct family. Details are : **AEAS Council Inc. BSB : 105-002 Account Number : 041 002 540**
We are working to try and rectify this as soon as possible and apologise for the inconvenience.

Ashton's Book Club Issue 1- Closes Friday 15 February 2019

Reception - Year 5/6 Information & AGM & Science Dome

Next Monday night, 11 February we will be hosting our Information Night and Governing Council AGM.

The attached program outlines the timeline for the night.

Off This Planet is a mobile planetarium/Science Dome which comes directly to your school.

It consists of a "Starlab" dome and various projection cylinders. The audience actually enter through a tunnel and sit inside the dome itself for the presentations.

Depending on the age group of the audience, we are able to use three different cylinders for full dome projections :

The Earth – to show rotation of the earth, day and night, longitude and latitude, time zones, apparent movement of sun/stars, and much more.

Starfield – the stars will appear amazingly bright through our new fibre arc system. The stars for any day of the year can be shown; and seasonal stars to help explain the earth's orbit around the Sun. Any planets visible for a particular night can also be displayed.

Greek Myth Constellation – to show in picture form, how the constellations were perceived in ancient times.

The stars will appear as dots within the constellations, their size according to their brightness.

Our computer/data projector combination will depict the most recent images/video clips of the Solar System, deep space objects (from AAT and Hubble), and space exploration from Apollo 11 to Mars Rovers and Space Shuttles.

For evening shows for family and community groups, we can guarantee a clear night sky under the Starlab dome, but we can also provide two telescopes and a brilliant laser beam to point out objects in the "real" night sky if the weather so allows.

To register your interest in attending at Allendale East Area School on Monday 11th February 2019, please contact the front office. A maximum of 40 participants available.

Kylie Smith
Principal

Kingsley CFS Group Cadets

Kingsley CFS Group are seeking young members that live within Allendale, Kongorong, Black Fellows Caves, Mount Schank, Donovans and Port MacDonnell areas and are aged 12 years and above, who would like to start gaining skills towards being firefighters. We are looking for expressions of interest from people willing to join up as cadets and participate in group-based training where you will be able to meet new people, make new friends and learn new skills.

Uniforms and training is provided. All we ask is your commitment to this great organisation.
If you are interested or want more information, please contact Wade Chant on 0488 313 225.

Canteen Information

Stickybeaks Reusable Lunch Bags - \$10.00 each.

These bags are great for the environment and a safe way to order your child's lunch, keeping it safe and warm or cold.

Please fill in the slip below if you wish to order one for your child. Thank you.

February 2019

Allendale East Area School

ANNUAL GENERAL MEETING

Monday 11 February 2019

Parents/Caregivers are invited to attend the Allendale East Area School Annual General Meeting of parents. The meeting will be held in the Library, commencing at 6.00pm for approximately 30 minutes.

We hope all Parents/Caregivers take the opportunity to show their support by attending this meeting.

The AGM provides an opportunity for parents / caregivers to understand more about how the school operates, and the effective and important role that parents / caregivers can play in the operation of the school. At the AGM you will have the chance to hear the following reports:

- Principal's 2018 Report
- Chairperson's 2018 Report
- Finance
- Directions for 2019

Governing Council provides a means of involving parents in the school, developing the educational needs of the school community and overseeing aspects of managing the school. The Governing Council is involved in setting policy and the directions for the school ; determining the use of school finances, and undertaking planning to develop the best opportunities for our schools Eg. in resources and facilities.

Whether you have previously been involved in school committees or not, please come along to support our school.

Nominations for Governing Council can be made on the tear off reply below. Nine positions become vacant this year.

Kylie Smith
Principal

**PLEASE COMPLETE THIS NOMINATION FORM AND RETURN TO THE FRONT OFFICE BY –
FRIDAY 8 FEBRUARY 2019**
