School : Allendale East Area School Council Inc.

Return Date : Fri 8 May 2020

Your school is running a Rainwater Tank Cleaning fundraiser with Mark from **CLEAN TANKS**. Please email or return form by the due date to your front office.

Rainwater tanks need regular cleaning every **3 YEARS** to maintain good quality safe drinking water.
Mark will hygienically extract the sludge & contaminates that have built up on the bottom of your tank.

Please contact your friends and family and add their details to this booking form. **Payment** will be due to CLEAN TANKS **on the day** of cleaning.

Mark from **CLEAN TANKS** will contact each person directly to arrange suitable cleaning dates.

Please Note: *Due to the nature of cement tanks prices are to be negotiated*
